DEAR PASSY-MUIR,

BREATHING IS LIFE. COMMUNICATING IS LIVING. AFTER A SERIOUS ILLNESS, SURVIVING AND HEALING ARE ONLY PART OF THE PICTURE. THERE NEEDS TO BE A BELIEF THAT ONE CAN RETURN TO A NORMAL, PRODUCTIVE AND ENJOYABLE EXISTENCE REGARDLESS OF ANY SURGICAL MODIFICATIONS THAT HAVE BEEN MADE.

MY DOCTORS GAVE ME THE CHANCE. MY MARTIAL ARTS GAVE ME THE ATTITUDE. PASSY-MUIR GAVE ME THE TECHNOLOGY.

I BREATHE AND I SPEAK WHILE I HAVE HANDS-ON TEACHING, BECAUSE I DO NOT NEED TO HAVE A HAND ON MY TRACH. THANK YOU!
